INFORMATION DISCLOSURE STATEMENT

This is an Information Disclosure Statement filed in accordance with 37 CFR 1.98.

Attached is a Form PTO/SB/08 identifying each of the four (4) references cited in the International Search Report, copy enclosed, issued by the European Patent Office on January December 6, 2004, in connection with the above-identified International application. Copies of each of the four references are enclosed. No translations of the three foreign references are presently readable available. However, It is noted that foreign reference EP 1 293 388 was cited in the Search Report as being in category X only with respect to claim 1, and was cited as simply showing the technological

109339386

background (category A) with respect to all of the other claims. Moreover, the other three cited references were all cited as being in Category A with respect to all of the claims.

The attached Form PTO/SB/08 additionally identifies German references DE 101 45 271 A1 and DE 199 60 079, which were cited in an Office Action, copy enclosed, issued April 13, 2004 in connection with the counterpart German application. No translations of the German Office Action or of these two German references are presently readable available. Note, however, that cited German reference DE 199 60 079 A1 has as its U.S. counterpart U.S. Patent 6,718,214, which is also cited in the attached Form PTO/SB/08. A copy of each of these German references with an English-language Abstract is enclosed. It is noted that reference DE 199 60 079 A1 is also cited and discussed in the paragraph beginning on page 1, line 14 of the present application.

Since all requirements for the filing of Information Disclosure Statements have been complied with, it is requested that the Examiner consider all of the identified references and indicate such consideration by enclosing a properly initialed copy of the enclosed Form PTO/SB/08 with the initial Office Action.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
